

WE SUCCEED TOGETHER

■ design ■ technology ■ production ■ logistics ■

Meeting the requirements of a fast moving textile and fashion "Bilyana triko" JSC and "Riton – P " PLC rely on their prospective creative team. That guarantees the latest trends and technologies are used in the express procedure from sampling to manufacturing.

We are ISO9001 2004 and Woolmark certified which ensures the quality of our products.

The high management is personally involved in all processes of manufacturing to be sure quality meets customer expectations.

The long traditions in the field established good relationships with suppliers and customers which makes our factories reliable and trusted partner.

Join to our satisfied customers.

Combining classic elements with modern touch,
we believe our products are a testimonial for quality,
superb construction and technical innovation.
